LIMITED TIME ONLY

Every year Cardiff Skate School partners directly with manufacturers of RIO ROLLER and SFR to be able to provide our members with a convenient way of purchasing skates and accessories for Christmas.

We take pre-orders of any items that you wish to purchase and have them available for you in time for Christmas.

This year we will be placing our order with the manufacturer on **Monday 4th December**. We will then expect delivery of in stock items the same week.

Once we are in receipt of your order, we will arrange a convenient time for you to collect your items from us.

(all stock levels were correct as of 3rd November 2023 and may be subject to change)

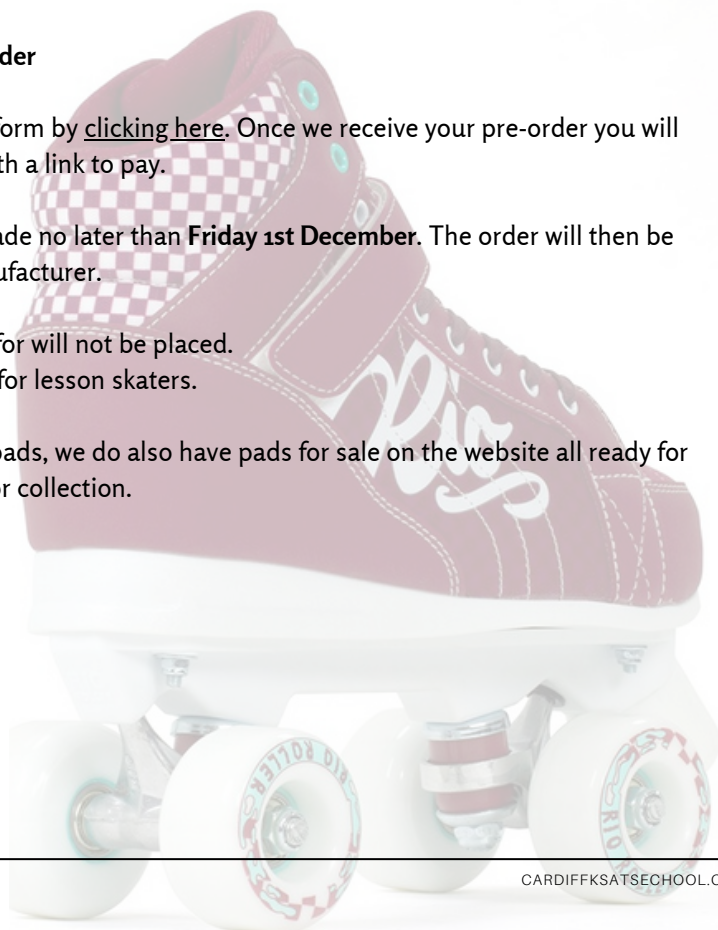

How to place your order

Complete the order form by [clicking here](#). Once we receive your pre-order you will receive an invoice with a link to pay.

Payment must be made no later than **Friday 1st December**. The order will then be placed with the manufacturer.

Any orders not paid for will not be placed.
Discounts will apply for lesson skaters.

If you're looking for pads, we do also have pads for sale on the website all ready for immediate delivery or collection.

RIO ROLLER MAYHEM II

Staying true to the classic design of our most loved skate, Mayhem, the roller derby style skate has been given the ultimate makeover! Inspired by 90's skate scene, Mayhem II chequered design meets vibrant colour contrasts in the form of slime, which is present in the unique wheel print. Mayhem II also includes the iconic Rio signature print along the side plus the added detail of contrasting eyelets to balance the coloured design of the wheels. We're super excited to see Mayhem II grow and become the modern classic we need in our lives!
